Year 2012-13 has been very special for the college as it is Accredited with 'A' Grade by National Assessment and Accreditation Council in September 2012. It's a moment of pride. All the efforts of the college were channelized for the accreditation process during the last one year. This success was possible because of the ever supporting and unstinting cooperation of the Management, more than 100 % efforts by the faculty members, support staff and students. We thank all the stake holders for their strong support in the process of accreditation. Apart from that the college is blessed with 5 Osmania University Top Ranks for various courses and 2 major research projects from UGC.
