

## Contact Details

**Dr. Madhumita Bhattacharjee**  
Head, Department of Chemistry, BVC  
Email: madhumita.chem@bhavansvc.org

**Dr. Jyothi Nayar**  
Head, Department of Genetics and Biotechnology, BVC  
Email: jyothinayars@yahoo.com

### Accommodation Committee

**Person 1 - Dr. Naga Manju**  
Email id - nagamanju@yahoo.com  
**Person 2 - Mr. G.V Ramanamurthy**  
Email id - balaji19691969@yahoo.co.in

Delegates and Participants requiring accommodation  
please confirm by 31st October 2017

## Invited Speakers

Dr. Asha Mallya – Deputy Director, Serum Institute of India, Pune  
Dr. Manika Pal Bhadra – Head, Dept. of Chemical Biology, IICT, Hyderabad  
Dr. Dhevalapally B. Ramachary – MRSC, Professor, School of Chemistry, University of Hyderabad  
Dr. Narinder Mohal – PhD, Founding Director, GMK Research Laboratories Pvt Ltd, Hyderabad.  
Dr. Ajit Nair - COO, VINS Biopharma Ltd, Hyderabad.

## Events

- "Rewind & Cite"- Poster Presentation for UG Students based on the lectures, Day 1.
- "Oripro"- Paper Presentation for PG Students and research scholars based on original work
- "Vaccipedia" - Quiz (open to all)
- "Med-Mark" - Paper presentation on Drug Marketing and Patenting

## Call for Papers

The organizers invite scientific abstracts for paper presentation on any topic related to Drug Designing & Discovery of Vaccines. Abstracts can be sent as an attachment to any of the e-mail id's mentioned below. The abstract should not be more than 250 words with Font style - Times New Roman, Size -12pt, Spacing - Single and justified.

Dr. Sushma Patkar.  
sushma.ghosh@gmail.com  
Ms. Moumita.  
moumita\_live@yahoo.co.in

Last date for submission of Abstracts: 21st October, 2017.  
Last date for submission of full papers: 11th November, 2017.

## Guidelines for Paper Presentation

- This competition is only for presenting original research work, which should be endorsed by the supervisor.
- Students of P.G colleges, Universities and Scholars from research organizations are eligible for this competition.
- The title of paper should be in capital and bold, followed by names of authors and their addresses.
- The paper should include Title, Abstract, Introduction, Objectives, Methods, Results and Conclusions.

# DRUG DE VA A NATIONAL SEMINAR ON DRUG DESIGNING & DISCOVERY OF VACCINES 7TH & 8TH DECEMBER, 2017

## ORGANIZED BY

DEPARTMENTS OF CHEMISTRY,  
GENETICS & BIOTECHNOLOGY

BHAVAN'S VIVEKANANDA COLLEGE  
OF SCIENCE, HUMANITIES AND COMMERCE  
SAINIKPURI, SECUNDERABAD

VENUE: DAY 1 CDM  
DAY 2 FIRST FLOOR, SEMINAR HALL, MBA  
BLOCK

[www.bhavansvc.org](http://www.bhavansvc.org)

Chief Patron:  
Mr. I.Y.R.Krishna Rao  
IAS (Retd.) Chairman, BVB, Sainikpuri Kendra

Patron:  
Air.Comde (Retd.) J.L.N.Sastry  
VSM, Vice Chairman BVB, Sainikpuri Kendra

Seminar Chairman:  
Prof. Y.Ashok  
Principal, BVC, Sainikpuri, Secunderabad

#### Advisory Panel

Dr. Smita C. Powar  
Head, Department of Genetics and Bio-technology, Osmania University, Hyderabad

Dr. Jay Prakash Golla  
Associate Research Scientist, Yale University, USA

Dr. Manika Pal Bhadra  
Head, Dept. of Chemical Biology, IICT, Hyderabad

Prof. M.Devadas  
Head, Department of Chemistry, Osmania University, Hyderabad

Dr. H.Surekha Rani  
Chairperson, BoS, Department of Genetics and Bio-technology, Osmania University, Hyderabad

Prof. Ch. Sarala Devi  
Chairperson, BoS, Department of Chemistry, Osmania University, Hyderabad

Dr. Dhevalapally B. Ramachary  
MRSC, Professor, School of Chemistry, University of Hyderabad

Convenors:  
Dr. Madhumita Bhattacharjee  
Head, Department of Chemistry, BVC, Sainikpuri, Secunderabad  
Email: madhumita.chem@bhavansvc.org.

Dr. Jyothi Nayar  
Head, Department of Genetics and Biotechnology, BVC, Sainikpuri, Secunderabad  
Email: jyothinayars@yahoo.com

Organizing Committee:  
Ms. B. Kalpana  
Mr. G. V. Ramanamurthy  
Ms. Mary Nygi Kurian  
Ms. D. Rajeshwari  
Dr. I. Rachana  
Dr. Sushma Patkar  
Dr. Naga Manju  
Ms. Moumita B  
Ms. Prerana Loomba  
Ms. M. Praveena

#### THE COLLEGE

Bharatiya Vidya Bhavan was established in 1938, when India was rediscovering herself politically, socially and culturally. Bhavan's aim is to preserve and perpetuate eternal Indian values through its conglomerate of more than 117 educational and cultural institutions.

Vasudhaiva Kutumbakam – the world is one family, committed to this ideal of the Bhavan, the Bhavan's Vivekananda College, Sainikpuri, began its service towards education on 2nd of August 1993 with 131 students. Since then, it has never looked back. We can today boast of a vibrant campus and milieu conducive to teaching and learning, as well as to the development of future citizens of our country.

The college is accredited with NAAC-"A" grade in 2012 and Autonomous Status in 2015.

#### About the Departments

##### Department of Genetics & Biotechnology

The Department of Genetics and Biotechnology was established in 1994. The Department offers courses in Genetics and Biotechnology for the UG students.

##### Department of Chemistry

The Department of Chemistry was set up in 1993, since the inception of the college. The Department offers Chemistry at UG level for all the students of Life Sciences.

Both the departments strive to inculcate scientific temperament, research and analytical skills among the students. We also aim to sensitize the youth on environmental issues.

In the year 2016, we held a National Seminar on 12th February, on Pharmacogenetics – A Personalised Therapy. It attracted participation from IICT, NIN, KIMS, Deccan School of Pharmacy, SreeNidhi Institute of Science & Technology, Department of Genetics, O.U., Kasturba Gandhi College, etc.

#### About the Event

India has come a long way since its 'tryst with destiny' 70 years ago. Today India is known globally as the "pharmacy of the world". India not only manufactures medicines but also exports them in large quantities to other nations. The remarkable progress can be seen by the initiatives such as "Mission Indradhanush", Govt. of India, which aims to immunize 90% of the children population by 2018.

The latest initiative by the government of Telangana is to administer MR (Measles & Rubella) & Pneumococcal vaccines to the children. Currently, healthcare in India is rapidly developing. Technology and innovation have made healthcare sustainability a real possibility for the near future.

To support this cause, Bhavan's Vivekananda College, Sainikpuri is conducting a National Seminar to create awareness about development of vaccines and drug designing amongst the youth.

## Registration Form

### DRUG DE VA A NATIONAL SEMINAR ON DRUG DESIGNING & DISCOVERY OF VACCINES

7th & 8th December, 2017

Organized by Departments of Chemistry, Genetics & Biotechnology  
BHAVAN'S VIVEKANANDA COLLEGE  
SAINIKPURI, SECUNDERABAD

Name: \_\_\_\_\_

Designation & Address: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Telephone No: \_\_\_\_\_ Mobile: \_\_\_\_\_

Email: \_\_\_\_\_

Registration Fee: \_\_\_\_\_

DD No. & Date: \_\_\_\_\_

Bank: \_\_\_\_\_

Presenting:  Paper  Poster

Date: Institution/College/Department Seal

Photocopy of the completed registration form should be sent to the Convenor.

#### Registration Details:

All participants must register for participating in the proceedings of the National Seminar by 21st October, 2017.

- Registration can also be done at the venue on 7th December, 2017.
- Registration Fees
  - Students: Rs 500/-
  - Research Scholars & Faculty members: Rs 1000/-
  - Corporates/ Industrialists: Rs 1500/-
  - Foreign Students: 20 Dollars

Registration fee can be sent in the form of a Crossed Cheque/DD in favor of: Principal, Bhavan's Vivekananda College of Science, Humanities and Commerce, Sainikpuri and payable at Hyderabad
