### **Other Activities Report :2004-10**

NSS activities are carried out with in the campus and beyond. In the campus, activities are carried out in the leisure time after the scheduled classes. Off campus activities are carried out by conducting special camps. A village is adopted, through survey and after consulting the village sarpanch, upsarpanch and villagers. The problems are listed down and plans are made and executed by the students to solve those problems. In the 7 days special camp the students stay in the village and carry out the scheduled work. Everyday, activities are listed out and the work is carried out as per the scheduled plan. A checklist is maintained as to determine the status of work carried out each day. The students participate in these activities with full enthusiasm and conduct themselves so well that they set an example for the villagers and people around. Other than the scheduled work, the students also conduct different competitions for the folks of different categories in the village, present cultural shows and message giving skits.

The NSS unit of the college adopted Bandlaguda also known as Ahmadguda in 2005, which is at a distance of 12 kms from the college. Three camps were conducted in the village, year after year, which brought recognition to the NSS Unit, the college as well as the student volunteers. After the successful completion of three years of service in Bandlaguda, another village by name Wargal was adopted by the unit in 2007 and services were rendered. In the year 2008 the unit adopted Markook village, Medak Dist. In 2009 & 2010, the unit rendered their services in Tunki, Bollaram.

In the college campus, students help in the need of the hour. They have helped the staff of the college during blood donation camps, annual day celebrations, annual

play and national festivals. They take active part during the “greEnergy” program, where the students clean the botanical garden and dig pits and plant new saplings in the campus. They never go back even in cleaning the fans, tube lights, computers and laboratories of college whenever possible. They clean up the football, volleyball, kabbadi courts every year for conducting sports smoothly. In September 2010, the unit laid and leveled the approaching road from CDM to Bhavan's Ramakrishna Vidyalaya which was washed away due to rain.

NSS gives all round exposure to the students and justifying the theme “Self Development through Community Development”. Apart from the contribution made by the students in and outside the campus, their hardwork is also recognized by the University.
